Your Next Steps

LICENSED EDUCATION PROVIDER

What is a Licensed Education Provider?

Nurse Educator

You are an **independent** entity or company, who is purchasing a license to access the Foot Canada Training Curriculum to teach Foot Care courses and workshops.

Health Agency

You are an **Health Agency** who is looking to train your staff, by providing in-house clinical training & continuing education opportunities, as well as community health teaching and workshops.

Franchise vs. License

The License Agreement is designed to enhance your independence as an Education Provider.

This independence means...

No Reporting

Your successes are your own! You do not have to provide details on course dates, class sizes, student grades.

No Hidden Fees

Your annual License Fee covers **everything** - our annual updates to the curriculum, access to the portal, unlimited downloads, and your contact information posted on our website!

No Restrictions

Teach on your own terms! Modify the curriculum to meet your needs as an instructor and the needs of your students - adjust content, timing, material...even your platform!

FCT CURRICULUM LICENSE

$5000

Your License Agreement provides you with unlimited access to the Foot Canada Training Curriculum for

3 Years

When the 3 year term is up
you can renew your license

ANNUALLY for only **$500** /year

Standardized Education

PROMOTING STANDARDIZED NURSING FOOT CARE EDUCATION IN CANADA

Our Nursing Department, aided by our team of Specialty Advisors, will update all of the curriculum documents and resources **ANNUALLY**, in response to the rapidly changing standards and guidelines affecting nursing foot care and related fields.

We will also be communicating with our Licensed Education Providers regularly through email and newsletters, with Tips & Tricks, resources and important/timely updates.

What are your **NEXT STEPS?**

Consider Your Demographics

What skills will the students in your area be interested in learning? How can you organize or deliver your courses for maximum success?

Do you have the skills to be an effective Educator?

All Licensed Education Providers must complete the Online Foot Care Nurse Educator Course.

Topics:

- Education Theory
- Lesson Planning and Assessment
- Technology
- Presentation Skills

Are your Foot Care skills up to date?

All Licensed Education Providers must have completed the Online FCN Theory Course and Clinical Course within the last 5 years. Need a refresher? Register for our **Online FCN Theory Course as a returning student** and/or contact one of our LEPs to arrange to do a Clinical Refresher Course.
